

MRS. ABBY'S NEWSLETTER

October 29, 2025

WEEKLY OVERVIEW

I hope you all are having a good week so far. We are near the end of October which is crazy! This month is flying by :)

We're going to be in Unit 2 Week 4 of Our Environment and learning about pumpkins!

UNIT 2 WEEK 4

Our Environment

We Are Reading:
The RunAway Pumpkin

We Are Problem Solvers

Joseph Had A Little
Overcoat

This week, we will be learning about more recycling and all things pumpkins. We'll be wrapping up recycling when we come back after the holiday. We'll be learning concepts: pumpkin life cycle, reusing old things, syllables, and focusing on a letter of the week.

IMPORTANT REMINDERS:

- Please have your car tag hanging in your rearview mirror when picking/dropping off your child. This helps our team know whose class your child goes to.
- The book fair will be opening soon. More info to come!
- Mrs. Karen and I will be collaborating on a letter of the week weekly and talking about the ABC's using handwriting without tears which goes in level of developmental order!

Important Dates:
10/31: NO SCHOOL

11/3-11/14: Toiletry Drive

11/4: Martin's BBQ Joint Spirit Night

11/8: Beautification Day 8AM-10AM

11/24-28: Thanksgiving Break
